## Risk Management Process and Facility Security Committee Training

Last year, in the first phase of the National Compliance Advisory Initiative, the ISC provided awareness training in 19 cities across the country. Building off that foundation, as part of Phase Two, this four-hour, instructor-led, training course includes an in-depth look at the Risk Management Process and Facility Security Committee membership. The course is offered at no cost to participants and is available at a first come, first served basis.

**Receive FSC Training Credits:** Successful completion of this training will meet the FSC training requirements, as the material in the course matches the material presented in the online ISC training courses. This course also acts as prerequisite training for the 3-day RMP course, hosted by OPM.

*Executive Core Qualifications: Leading Change, Leading People, Results Driven, Business Acumen, Building Coalitions*
